

DRUM BEATS

DRUM BEATS IS A FANTASTIC MUSICAL EVENT THAT WILL HAVE PARTICIPANTS PLAYING A VARIETY OF DIFFERENT RHYTHMS AND BEATS COHESIVELY TO CREATE THEIR VERY OWN SOUND!

Drum Beats starts as your delegates enter the room to find an array of stunning drums from all over the world awaiting them on each & every chair. As they take their seats, our experts perform Global rhythms in a small example of how they will sound at the end of the session!

Within seconds our highly motivated team will have everyone learning the basic skills & rhythms needed to build your powerful percussion band.

Once everyone has grasped the basics, our facilitators will get your group playing many different rhythms, layering each one on top of the other to create the 'groove'!

Using the metaphor of a functioning orchestra/rhythm section and unique physical mental tasks...participants will be guided through a highly entertaining, personal and powerful experience.

Drum Beats is a superb event that never fails to get great feedback from all those taking part. Even those who are initially dubious are always won over by the power of this event to connect, and bring people together.

No previous musical experience, talent, or ability is required and your event will be led from start to finish by an experienced facilitator. The facilitators we use are not only vastly experienced, they are also incredibly passionate which soon become obvious once your event is underway.
