

FANTASY FORMULA 1

FANTASY FORMULA 1 SEES TEAMS SUPPLIED WITH DETAILED BLUEPRINTS TO ENABLE THEM TO BUILD AND RACE THEIR OWN SELF-PROPELLED F1 STYLE RACING CAR COMPLETE WITH SPOILERS, FRONT AND BACK.

For this Formula One team building activity, we supply a range of building supplies from giant sheets of cardboard to over-sized tubes and pre-cut 55cm wheels. The workshop offers all the tools needed for cutting, trimming, and shaping the racing cars, as well as accessories and fabrics to decorate the finished product and of course, supporting staff to help them along the way.

First the designs are to be drawn on the cardboard sheets, inspired by the blueprint. Then the body of the car and its chassis must be cut, assembled and personalised.

Once built, the cars are tested and adjusted accordingly to enhance their performance for the competition. The showdown with one driver on board will determine this season's champion!
