

ROLLERCOASTER CHALLENGE

EMBARK ON AN EXHILARATING TEAM-BUILDING ADVENTURE WITH THE ROLLERCOASTER CHALLENGE! YOUR MISSION, SHOULD YOU CHOOSE TO ACCEPT IT, IS NOT JUST SIMPLE BUT THRILLING: CONSTRUCT A ROLLERCOASTER CAPABLE OF FLAWLESSLY TRANSPORTING A BALL FROM START TO FINISH WITHOUT A SINGLE MISHAP. SOUNDS EASY? THINK AGAIN!

As the briefing concludes and the ground rules are set, the real fun begins. Your team's task is to build a vital section of this gravity-defying rollercoaster. But beware, strict construction codes are in place, and our eagle-eyed rollercoaster engineering inspectors will be scrutinising every detail!

In the initial phase, teams huddle in small groups, brainstorming and strategising the most innovative ways to construct their segment of the rollercoaster using only rods and cable ties. Creativity and ingenuity are your best tools here.

Once your track takes shape, the excitement ramps up. Teams must master the art of coordination, creating a synchronised wave to propel a football along their track.

The grand finale is nothing short of spectacular – all teams unite to assemble one colossal rollercoaster, setting off a chain reaction in a stunning climax to the event!

WHAT IS THE ROLLERCOASTER CHALLENGE THE ULTIMATE TEAM BUILDING EXERCISE?

It's all about collaboration. Every team plays a crucial role, and success hinges on working seamlessly with others. It's a practical embodiment of the adage, "you're only as strong as your weakest link." No team can triumph unless every single section of the rollercoaster – and consequently, every team – is in perfect harmony towards a common goal.

This flexible and dynamic activity can fit into a 1 to 2-hour slot, making it an ideal choice for any team building event.

Are you ready to take on the Rollercoaster Challenge and soar to new heights of teamwork and innovation?
