

CRYSTAL CHALLENGE

BASED ON THE POPULAR '90'S GAME SHOW, OUR FLAGSHIP CRYSTAL MAZE IS PROBABLY ONE OF THE MOST POPULAR TEAM BUILDING EVENTS IN THE WORLD.

Hosted by our very own Richard O' Brien, in teams you will compete against each other in an exhilarating mix of head-to-head challenges, dashing between the Aztec, Medieval, Industrial and Futuristic zones.

Teams will face an exciting range of mental, skill, physical and mystery tasks that if successful, will yield a precious crystal and seconds of time inside the crystal dome at the end of the activity.

The huge inflatable Crystal Dome provides a frenzied finish to the day. During this finale the top teams do battle and collect as many gold tickets as possible, with the team gathering the most gold tickets crowned the winners.

Take a look at a few sample challenges below:

PYRAMIDS OF HANOI

Rebuild a giant Aztec Pyramid, moving only one piece at a time and never stacking a large piece on top of a smaller piece. Only 127 moves, happy head scratching!!

SNAKE SWAMP

Your team must work together to navigate through a snake infested pit without losing contact with each other, in order to retrieve the crystal being closely guarded by Colin the Cobra!

TEST OF NUMBERS

A great test of communication and memory, this tricky challenge requires your team to work together to memorise the location of each number and reveal them in the correct sequence.

DUNGEON DILEMMA

Arrange the colourful shields on the metal dungeon door so that the rows and columns add up to the magic number! The twist in the tail comes when you realise all the shields can go either way up.....

NUCLEAR ARRANGE

Located in a disused nuclear station, you must retrieve the contaminated nuclear orbs without entering the radioactive zone and transport them safely into the decontamination tank.

WHERE CAN THIS ACTIVITY BE RUN?

We can run Crystal Challenge anywhere in the UK and all we need is a large, flat, grassed area. We find that hotel/conference centre grounds or local sports club pitches are great options.

HOW LONG DO YOU NEED TO SETUP AND CLEAR DOWN?

We usually ask for around 90 minutes to set up the activity and around the same to clear away. We aim to arrive on site around 2 hour before your agreed start time so that we have plenty on time.

DO YOU PROVIDE PRIZES FOR THE WINNING TEAM?

Yes! The winning team will receive a bottle of bubbly and each member of the winning team will get a coveted winners medal.

HOW MANY PEOPLE WOULD BE ON EACH TEAM?

This will depend upon the group size but we aim to keep the teams quite small with around 8 people on each team.

“Superb support from White Rhino in shaping the content of our team day ahead of time and brilliantly facilitated on the day by Keith and co. A great mix of mental and physical activities, with great fun had by all.”

“Absolutely fantastic! Pulled an event together for us really last minute and we loved every second of it. Couldn't recommend enough.”
