

WACKY RACES

IT IS TIME FOR YOUR TEAM TO TAKE POLE POSITION IN OUR WACKY RACES SOAP BOX DERBY. DURING THIS 'SOAP BOX DERBY' STYLE EVENT, TEAMS WILL DESIGN, BUILD, AND RACE THEIR ULTIMATE RACING MACHINE!

Following their initial brief, the first task for your team is to brainstorm what your "Racing Machine" is going to look like. In this event, looks are vital, as the best looking vehicle will take Pole Position for the Wacky Races Soap Box Showdown! With this step complete you have to gather everything you possibly can to turn your dream soapbox racer into reality.

Each team is given a starter kit which contains a certain amount of resources, including the solid structure of the basic kart. Any items and resources that you require which are not in your starter kit must be procured by pitching a successful sponsorship bid. Your bid will include how your racer will look, what your branding will be and why you think your team is going to win your Company Grand Prix. The more successful your bid the more money your team earns to spend on materials for the construction of your "racing machine" and any spares you might want for the pits.

Once construction and testing are complete, there is only one thing left to do...RACE!
