GINGERBREAD HOUSE CHALLENGE

Our Virtual Gingerbread House Challenge is without a doubt one of our favourite Christmas Events and is guaranteed to get everyone into the Christmas mood!

During this event, participants will make and decorate their own amazing gingerbread houses from scratch. But don't panic, we will provide a professional chef to host your activity and keep everyone on the straight and narrow.

Ahead of your event our team of elves will be working busily to create a beautiful 'event hamper' for each participant containing all of the ingredients they will need for the activity, as well as a chefs hat and disposable apron. These will be delivered (sadly not by the Big Man himself) direct to participants homes a few days prior to the event.

On the day, participants simply need to join a video call that we set up, where they will be greeted by their head chef. once everyone has joined the call and the introductions are finished, it's time to start making some amazing gingerbread houses!

HOW DO VIRTUAL COOKERY ACTIVITIES WORK?

The virtual cookery activities we offer are run via video conference (typically using Zoom or Microsoft Teams) and are hosted from start to finish by a professional chef. Your chef will be on hand to guide guests through the various recipes and answer any questions people may have.

DO PARTICIPANTS NEED TO PROVIDE THEIR OWN INGREDIENTS?

No – all the ingredients required for the activity are provided by us as part of the event cost. Once your event is confirmed, we will put together an amazing 'event hamper' for each guest containing all of the ingredients they will need for your chosen activity. We will also include a chef's hat and disposable apron as well.

WHAT EQUIPMENT WILL WE NEED?

Participants will need to provide some basic cooking equipment for the activity but we have been careful to select menus that do not require any specialist items. We will provide an equipment list that can be sent to all participants in advance of the event so that they are prepared. All of the equipment required can usually be found in most kitchens.

WHAT DO I NEED TO DO BEFORE THE EVENT?

Once your event is confirmed we will need you to provide us with the names and addresses of all those taking part so that we can send their 'event hampers' to them. Ideally this should be in excel format.

Leading up to your event we will send you a detailed 'event information sheet' with all of the information you and your teammates will need. This will include the confirmed date and time of your event, the name of your head chef who will run your activity, and of course, the conference call link that everyone will need to access the call.

All you need to do is send this information sheet to all those taking part, – let us look after the rest!

WHAT HAPPENS ON THE DAY OF MY EVENT?

On the day itself, everyone will be welcomed to the event by your head chef as soon as they join the call. Once everyone has arrived, your event host will explain exactly what will happen during your activity and answer any initial questions. Once this is done – it's time to get cooking!
