In the foreground, a wooden desk with a green top holds a laptop, a stack of papers, a red notebook, a magnifying glass, and a globe. A lamp is on the left, and a rug is on the floor.

THE ART HEIST VIRTUAL ESCAPE ROOM

Art Heist is the ultimate virtual escape room team building activity! You're in the frame. You need to escape. You must beat the clock. The question is simple; do you and your team have what it takes?

This 90 minute 'escape room' virtual team building activity combines tasks, riddles and puzzles that will put your problem-solving skills to the test. Starting out in a 'locked office,' you are in the frame as an accessory to the perfect art heist. Participants must work together using the unique gameplay app to complete a series of tasks and interactive challenges before they can 'escape'.

Armed with a tablet or smartphone (provided by the participants) loaded with the gameplay app, teams will have to unpick evidence, unravel cryptic messages and avoid the curveballs that will be thrown at them along the way. Teamwork and logic skills will be thoroughly tested in this virtual escape scenario.

Interactive and engaging, this unique virtual escape room team building activity is an ideal solution to help keep your team motivated, and engaged. And because The Escape is played 'virtually', it can be delivered for any number of participants, regardless of where they are located in the World.

Our remote Event Manager will set the scene with a tense virtual briefing, detailing why participants must escape! Teams will then be faced with a locked study that they must virtually break out of before they run out of time. Using their own smart devices, participants will work their way through a myriad of clues by tapping on the objects throughout the room.

Teams must progress through the three stages of the Art Heist Virtual Escape Room challenge as quickly as they can, while correctly completing questions and challenges as they go. Teams who employ a thoughtful strategy and manage their time carefully shall prevail.

The aim of the game is simple; solve the clues to crack the code and break free, all before you run out of time.

HOW DOES THE ACTIVITY WORK?

This 'app-based' team building activity can be run in virtual, hybrid, or face to face formats depending on your circumstances and situation.

VIRTUAL: Running this activity virtually, all participants can dial in to the Zoom call from wherever they are, whether it's at home or in the office, in the UK or abroad. Your dedicated event facilitator will welcome guests, deliver your event briefing remotely, split the group into teams, and run your event from start to finish. At the end of the activity, your facilitator will announce the results and 'wrap up'.

HYBRID: With some physical 'in person' teams taking part from the office or a venue, and some 'virtual' teams dialling in from home or elsewhere, the hybrid solution is a great way to get everyone involved in your event, even if they can't be there in the flesh. Just like the virtual option, your event facilitator will brief everyone via Zoom, arrange the teams, and run everything from start to finish.

FACE TO FACE: The face to face option allows everyone to enjoy a fun, engaging, safe, and COVID friendly team building activity, 'face to face' with their colleagues rather than via Zoom. Your event facilitator will still deliver a high energy briefing and results session via Zoom, manage the teams, and be available throughout your activity to ensure everything runs smoothly.

WHAT DO I NEED TO DO BEFORE THE EVENT?

Before your event we will send you a detailed 'event details sheet' with all of the information you and your teammates will need. This will include the confirmed date and time of your event, the name of your event host, the Zoom link that everyone will need to access the call, and details of how to download the gameplay app. All you need to do is send this information sheet to all those taking part, and let us look after the rest!

WHAT HAPPENS ON THE DAY OF MY EVENT?

On the day itself, everyone will be welcomed to the event by your event host as soon as they join the Zoom call. Once everyone has arrived, your event host will explain exactly what will happen during your activity and answer any initial questions.

HOW MANY HOSTS/FACILITATORS WILL BE RUNNING MY EVENT?

For this event, we will have one event host/facilitator for every 50 participants. They will remain on your Zoom call for the duration of your event to make sure everything runs smoothly and answer any questions participants may have.
