STRICTLY COME DINING

Strictly Come Dining is the ultimate, hands-on, cookery experience that challenges teams to create a mouth watering 3 course meal from scratch under the guidance of our expert chefs. Guests will be able to enjoy the fruits of their labour as they sit down and enjoy the amazing food they have created together.

After a short health and safety briefing, your head chef will first conduct a cookery demonstration and prepare a few of the dishes that will be on offer. Once the demonstration is over, the group will then be split into teams before they head to their cooking stations and get cracking! Each team will be responsible for every aspect of the meal from the fine details on the table, to delivering hot food to order.

The teams can decide to create the dish which our chef has demonstrated or let their creative side go! Naturally, our chefs will be on hand to assist and help with creative ideas.

To conclude this culinary experience, our team of chefs will judge each teams dishes based on taste, appearance, and culinary flair before the results are announced and the winners declared.

Our expert chefs and crew will guide you through the event from start to finish and will be on hand throughout to answer any questions the delegates may have, and to ensure everything is running smoothly!
