THAMES RIB ADVENTURE

The Thames RIB Adventure is undoubtedly the most exciting event within the M25, and offers the ultimate high adrenaline, high adventure team building activity! After climbing aboard a fleet of matching RIB's, you and your team will first devise a winning strategy (with a little help from your expert skipper) before blasting into action to solve the clues that have been set for you!

You will need to get up close to a variety of famous London landmarks in order to solve the cunning clues which have been placed throughout the heart of London, and must utilise your Treasure Hunt Packs in order to secure victory!

The Thames RIB Adventure usually split into two parts – a competitive Treasure Hunt and a nerve-jangling, high-speed blast!

After a safety briefing guests will be issued with life jackets and high quality, breathable oilskins to keep them dry, before being split into their teams (maximum of 8 per RIB) and given their Treasure Hunt Packs. Once the formalities are complete, it's time to board the RIB's and head out onto the water!

We find that the best format is to complete the competitive Treasure Hunt first, followed by the high-speed blast, where the breath-taking speeds and performance characteristics of these incredible boats can be fully demonstrated and appreciated!

Once all the excitement is over its back to base for the much anticipated Treasure Hunt results and prize giving ceremony!

Please note that this activity is not suitable for those with hip, back neck, or knee problems, or those of significant stature.
