MASTER OF TASKS

Inspired by the hilarious TV show, 'Master of Tasks' challenges teams with a hilarious selection of team games that will literally have your people in stitches of laughter, we kid you not!

The games come in all shapes and sizes, and are only revealed when teams open the famous wax sealed envelope. There's absolutely something for everyone, with the name of the game being good old fashioned fun.

The event is hosted by a professional comedic compare, who alone will bring the room to life. He also plays the role of the Task Master, who will judge each round and allocate points.

The event starts by teams opening their challenge envelope. The task can either be a live challenge or a practice challenge. Live challenges take place straight away meaning the team have to think quickly on their feet. Practice challenges give the group 10 minutes to plan their strategy. The games are so varied you will literally not know what's coming next. Some of our favourites include:

Smartie Pants – separate different coloured smarties wearing boxing gloves

Spud Sticks – how many potatoes can you move using giant chop sticks

Easy Peezy – how much lemon juice can your team member squeeze whilst you're standing in a bucket of iced water...

These are just 3 of over 25 amazing games to choose from. If you want an event that will have people bending over with laughter then this is it.
