# THE TEAM SOCIAL

The Team Social was designed to encourage teams to let their hair down and have a laugh! Played in the comfort of your own home, this quiz based activity enables teams to connect, have some fun and get competitive. Hosted via Zoom by an event facilitator, you'll be up against your colleagues to see who can score the most points.

Regular team socials give colleagues the chance to relax and be themselves. They can also help different departments get to know each other. Relationships encouraged by social events can lead to better communication at work, helping to vent frustrations, find solutions and go that extra mile for a colleague on the job.

But what if you are all working remotely? While you want your team to be focussed on the job and work productively, everyone needs a break from time to time. You need something that can encourage small talk in interactions so that staff can relate to each other. The Team Social was designed to replace the after-work social if your staff are working from home, encouraging teams to let their hair down and have a laugh!

Using their own smart devices, participants will work their way through a myriad questions by tapping on the various squares around a game board. The aim of the game is simple; correctly answer as many questions as possible to score the most points!

## HOW DOES THE ACTIVITY WORK?

This 'app-based' virtual team building activity is run using two pieces of software. The first is a gameplay app which each participant will need to download onto their smartphone or tablet. The second is Zoom (although we can use other platforms if required).

## WHAT DO I NEED TO DO BEFORE THE EVENT?

Very little. Before your event we will send you a detailed 'event information sheet' with all of the information you and your teammates will need. This will include the confirmed date and time of your event, the name of your dedicated event host who will run your activity, and of course, the Zoom link that everyone will need to access the call. All you need to do is send this information sheet to all those taking part, – let us look after the rest!

## WHAT HAPPENS ON THE DAY OF MY EVENT?

On the day itself, everyone will be welcomed to the event by your event host as soon as they join the Zoom call. Once everyone has arrived, your event host will explain exactly what will happen during your activity and answer any initial questions.

## HOW MANY PEOPLE WILL BE IN EACH TEAM?

For this activity, we would recommend having around 5 people per team. Once your host has welcomed everyone and explained what will be happening during the activity, they will split the group into random teams and allocate each team a private 'Zoom Room' where they can discuss tactics, answers, and clues. This is also where teams will complete their challenge using the gameplay app.

## HOW MANY HOSTS/FACILITATORS WILL BE RUNNING MY EVENT?

For this event, we will have one event host/facilitator for every 50 participants. They will remain on your Zoom call for the duration of your event to make sure everything runs smoothly and answer any questions participants may have.

## WHAT HAPPENS AT THE END OF MY EVENT?

Towards the end of your event, your event host will bring all of the teams back into the main 'Zoom Room' where they will run through the results and declare the winners. Once the results are announced and the 'wrap up' has finished, your hosts will leave the Zoom call and end the session.
