MANOR HOUSE MURDER

ACTIVITY OPTION

VIRTUAL MANOR HOUSE MURDER

The Manor House Murder challenge is a highly interactive and immersive event designed to test your crime-solving skills. Based on a traditional 'Murder Mystery' game, players must work together to unlock and examine key evidence such as witness statements and suspect interviews, using augmented reality and image recognition technology.

As you explore the crime scene via an interactive map, you'll complete tasks and challenges which will help you acquire evidence and assist with your investigation.

Can you correctly identify the weapon, murderer and motive?

Our remote Event Manager will set the scene with a tense virtual briefing, giving you as much information as possible about the crime. Teams will then be faced with a series of witness cards and a floor plan of Cadaver Manor. Using your own smartphone devices, you'll work your way through a myriad of clues by tapping on the different rooms and witness cards throughout the game.

You must examine evidence and liaise with key witnesses in order to piece together the sequence of events that unfolded at Cadaver Manor.

There is a real sense of urgency in this case to start ruling out suspects and catch the killer.

The aim of the game is simple; piece together the evidence, catch a killer and solve the crime, all before you run out of time.

HOW DOES THE ACTIVITY WORK?

This 'app-based' virtual team building activity is run using two pieces of software. The first is a gameplay app which each participant will need to download onto their smartphone or tablet. The second is Zoom (although we can use other platforms if required).

WHAT DO I NEED TO DO BEFORE THE EVENT?

Very little. Before your event we will send you a detailed 'event information sheet' with all of the information you and your teammates will need. This will include the confirmed date and time of your event, the name of your dedicated event host who will run your activity, and of course, the Zoom link that everyone will need to access the call. All you need to do is send this information sheet to all those taking part, – let us look after the rest!

WHAT HAPPENS ON THE DAY OF MY EVENT?

On the day itself, everyone will be welcomed to the event by your event host as soon as they join the Zoom call. Once everyone has arrived, your event host will explain exactly what will happen during your activity and answer any initial questions.

HOW MANY PEOPLE WILL BE IN EACH TEAM?

For this activity, we would recommend having around 5 people per team. Once your host has welcomed everyone and explained what will be happening during the activity, they will split the group into random teams and allocate each team a private 'Zoom Room' where they can discuss tactics, answers, and clues. This is also where teams will complete their challenge using the gameplay app.

HOW MANY HOSTS/FACILITATORS WILL BE RUNNING MY EVENT?

For this event, we will have one event host/facilitator for every 50 participants. They will remain on your Zoom call for the duration of your event to make sure everything runs smoothly and answer any questions participants may have.

WHAT HAPPENS AT THE END OF MY EVENT?

Towards the end of your event, your event host will bring all of the teams back into the main 'Zoom Room' where they will run through the results and declare the winners. Once the results are announced and the 'wrap up' has finished, your hosts will leave the Zoom call and end the session.
