

ARCTIC SURVIVAL VIRTUAL ESCAPE ROOM

ACTIVITY OPTION

ARCTIC SURVIVAL VIRTUAL ESCAPE ROOM

Test your survival instincts in a race against time. Work together with your team to crack the code, find your location and complete the rescue mission!

Midway through an arctic expedition, your team has become separated from your hiking guide. With a storm setting in and nightfall approaching, you're forced to abandon your expedition in search of help.

You must work together to solve cryptic clues scattered throughout an abandoned Arctic hut, you will have to put your logical thinking and code cracking skills to the test in order to kickstart the generator, call for help and escape before the heavy snowfall and high winds leave you lost in the Arctic.

At the beginning of your Arctic Survival event, your remote Event Manager will set the scene with a tense virtual briefing, detailing key information as to why participants must escape. Teams will then be faced with a locked mountain cabin that they must virtually break out of before they run out of time. Using their own smartphone devices loaded with the gameplay app, participants will work their way through a myriad of clues by tapping on the objects throughout the cabin.

Teams must progress through the three stages of Arctic Survival challenge as quickly as they can, while correctly completing questions and challenges as they go. Teams who employ a thoughtful strategy and manage their time carefully shall prevail.

The aim of the game is simple; solve the clues to start the generator, call for help and crack the code, all before you run out of time.

HOW DOES THE ACTIVITY WORK?

This 'app-based' team building activity can be run in virtual, hybrid, or face to face formats depending on your circumstances and situation.

VIRTUAL: Running this activity virtually, all participants can dial in to the Zoom call from wherever they are, whether it's at home or in the office, in the UK or abroad. Your dedicated event facilitator will welcome guests, deliver your event briefing remotely, split the group into teams, and run your event from start to finish. At the end of the activity, your facilitator will announce the results and 'wrap up'.

HYBRID: With some physical 'in person' teams taking part from the office or a venue, and some 'virtual' teams dialling in from home or elsewhere, the hybrid solution is a great way to get everyone involved in your event, even if they can't be there in the flesh. Just like the virtual option, your event facilitator will brief everyone via Zoom, arrange the teams, and run everything from start to finish.

FACE TO FACE: The face to face option allows everyone to enjoy a fun, engaging, safe, and COVID friendly team building activity, 'face to face' with their colleagues rather than via Zoom. Your event facilitator will still deliver a high energy briefing and results session via Zoom, manage the teams, and be available throughout your activity to ensure everything runs smoothly.

WHAT DO I NEED TO DO BEFORE THE EVENT?

Before your event we will send you a detailed 'event details sheet' with all of the information you and your teammates will need. This will include the confirmed date and time of your event, the name of your event host, the Zoom link that everyone will need to access the call, and details of how to download the gameplay app. All you need to do is send this information sheet to all those taking part, and let us look after the rest!

WHAT HAPPENS ON THE DAY OF MY EVENT?

On the day itself, everyone will be welcomed to the event by your event host as soon as they join the Zoom call. Once everyone has arrived, your event host will explain exactly what will happen during your activity and answer any initial questions.

HOW MANY HOSTS/FACILITATORS WILL BE RUNNING MY EVENT?

For this event, we will have one event host/facilitator for every 50 participants. They will remain on your Zoom call for the duration of your event to make sure everything runs smoothly and answer any questions participants may have.
