LET'S GET QUIZZICAL

Give your team a well deserved boost with this action-packed Team Quiz! Do not fear, this isn't just your average quiz – with a mix of trivia challenges and fun, creative tasks, there is sure to be something for everyone. Best of all people are able to participate from the office or home, in person or virtually, in the UK or abroad – everyone can join the fun!

Made up of three interactive rounds, the Let's Get Quizzical team quiz has been designed to keep teams connected and engaged, and encourages participants to let their hair down and have a laugh. It's the perfect interactive activity!

Following an upbeat virtual briefing from one of our fabulous presenters, round 1 has each team of 4-6 people working together, whether in person or virtually, through a video call. A bonus round follows back in the main meeting room. This is a hands-on, creative photo task for which each player will individually score points for their submission which will count towards their team's final score.

Round 2 brings the 'Picture Round', where players will be shown a series of images on screen by the presenter. They will be asked a question about the image, which they will need to answer through the app before time runs out! Once again, for this round each player will be working individually to add to their team's point tally.

After Round 2, everyone will be sent back into their team rooms to work on another creative video challenge, this time to be completed as a team.

The third and final round provides a quick-fire finale, where teams will be battling against the clock to complete as many questions as possible before the timer hits zero.

HOW DOES THE ACTIVITY WORK?

This 'app-based' team building activity can be run in virtual, hybrid, or face to face formats depending on your circumstances and situation.

VIRTUAL: Running this activity virtually, all participants can dial in to the Zoom call from wherever they are, whether it's at home or in the office, in the UK or abroad. Your dedicated event facilitator will welcome guests, deliver your event briefing remotely, split the group into teams, and run your event from start to finish. At the end of the activity, your facilitator will announce the results and 'wrap up'.

HYBRID: With some physical 'in person' teams taking part from the office or a venue, and some 'virtual' teams dialling in from home or elsewhere, the hybrid solution is a great way to get everyone involved in your event, even if they can't be there in the flesh. Just like the virtual option, your event facilitator will brief everyone via Zoom, arrange the teams, and run everything from start to finish.

FACE TO FACE: The face to face option allows everyone to enjoy a fun, engaging, safe, and COVID friendly team building activity, 'face to face' with their colleagues rather than via Zoom. Your event facilitator will still deliver a high energy briefing and results session via Zoom, manage the teams, and be available throughout your activity to ensure everything runs smoothly.

WHAT DO I NEED TO DO BEFORE THE EVENT?

Before your event we will send you a detailed 'event details sheet' with all of the information you and your teammates will need. This will include the confirmed date and time of your event, the name of your event host, the Zoom link that everyone will need to access the call, and details of how to download the gameplay app. All you need to do is send this information sheet to all those taking part, and let us look after the rest!

WHAT HAPPENS ON THE DAY OF MY EVENT?

On the day itself, everyone will be welcomed to the event by your event host as soon as they join the Zoom call. Once everyone has arrived, your event host will explain exactly what will happen during your activity and answer any initial questions.

HOW MANY HOSTS/FACILITATORS WILL BE RUNNING MY EVENT?

For this event, we will have one event host/facilitator for every 50 participants. They will remain on your Zoom call for the duration of your event to make sure everything runs smoothly and answer any questions participants may have.
