## ACTIVITY OPTION

# SPY SCHOOL: TRAINING

You and your team have been enrolled in Spy School. Who will complete their training and crack the case in time?

Working together through three levels of top-secret training, you'll have to prove yourselves as worthy agents using interactive photo, video and problem-solving challenges. Only when you have your training badges will you be able to apply your new skills on your first official mission!

Learn to become the ultimate agent with this high-energy, competitive challenge! Our latest virtual team building activity, Spy School: Training is designed to put your teamwork, communication and memory to the test.

Channel your inner James Bond to crack cryptic clues and decipher your way through a myriad of top secret training tasks. But like any good spy knows, you'll also need your very best disguises for a creative challenge or two! It's a race against the clock to earn your badges and embark on your first mission.

One of our highly experienced espionage experts will kick things off with a top secret briefing, detailing your training and your first official covert mission.

Working in teams of 4-6 players, teams must progress through three stages of spy training as quickly as possible, while solving cryptic puzzles, codes and creative tasks as they go. Each time a team completes a stage, they will receive a training badge.

Using their own smartphone devices and video conferencing software, participants must then use their newfound knowledge and skills to work out who killed Number 1.

The aim of the game is simple: Complete your training, earn your badges and solve the case, all before you run out of time.

## HOW DOES THE ACTIVITY WORK?

This 'app-based' team building activity can be run in virtual, hybrid, or face to face formats depending on your circumstances and situation.

**VIRTUAL:** Running this activity virtually, all participants can dial in to the Zoom call from wherever they are, whether it's at home or in the office, in the UK or abroad. Your dedicated event facilitator will welcome guests, deliver your event briefing remotely, split the group into teams, and run your event from start to finish. At the end of the activity, your facilitator will announce the results and 'wrap up'.

**HYBRID:** With some physical 'in person' teams taking part from the office or a venue, and some 'virtual' teams dialling in from home or elsewhere, the hybrid solution is a great way to get everyone involved in your event, even if they can't be there in the flesh. Just like the virtual option, your event facilitator will brief everyone via Zoom, arrange the teams, and run everything from start to finish.

**FACE TO FACE:** The face to face option allows everyone to enjoy a fun, engaging, safe, and COVID friendly team building activity, 'face to face' with their colleagues rather than via Zoom. Your event facilitator will still deliver a high energy briefing and results session via Zoom, manage the teams, and be available throughout your activity to ensure everything runs smoothly.

## WHAT DO I NEED TO DO BEFORE THE EVENT?

Before your event we will send you a detailed 'event details sheet' with all of the information you and your teammates will need. This will include the confirmed date and time of your event, the name of your event host, the Zoom link that everyone will need to access the call, and details of how to download the gameplay app. All you need to do is send this information sheet to all those taking part, and let us look after the rest!

## WHAT HAPPENS ON THE DAY OF MY EVENT?

On the day itself, everyone will be welcomed to the event by your event host as soon as they join the Zoom call. Once everyone has arrived, your event host will explain exactly what will happen during your activity and answer any initial questions.

## HOW MANY HOSTS/FACILITATORS WILL BE RUNNING MY EVENT?

For this event, we will have one event host/facilitator for every 50 participants. They will remain on your Zoom call for the duration of your event to make sure everything runs smoothly and answer any questions participants may have.
