

CHRISTMAS WREATH MASTERCLASS

THIS FESTIVE, FUN AND CREATIVE MASTERCLASS WILL GUIDE GUESTS THROUGH MAKE THEIR OWN CHRISTMAS WREATH READY TO DISPLAY PROUDLY AT HOME AND CAN BE RUN IN EITHER VIRTUAL OR FACE-TO-FACE FORMATS.

During this brilliant hands-on masterclass, guests will learn the traditional florists' method of making a fresh festive wreath. You and your team will be hosted and guided through the various steps by an expert wreath maker who will be on hand throughout to offer lots of handy hints and tips.

As you would expect, all of the materials and specialist equipment are provided for you including wreath frames, moss, seasonal foliage, wire and ribbon, and a selection of decorations such as cinnamon sticks, pinecones, dried fruit and baubles.

The first step in your Christmas wreath making masterclass is for guests to learn how to cover their wreath base with moss, before adding winter foliage like scented blue pine and conifer.

Guests will then learn how to wire different decorations, how to attach them to their wreaths and how to tie the perfect bow!

At the end of the activity, guests will have a beautiful hand made traditional Christmas wreath that can be proudly hung on the front door, to impress the neighbours, or used as a festive table centre decoration with a candle in the middle – perfect for the Christmas dinner table!
