

FESTIVE QUEST

FESTIVE QUEST IS A TRUE CHRISTMAS EXTRAVAGANZA THAT IS GUARENTEED TO GET EVERYONE INTO THE CHRISTMAS SPIRIT. IF YOU ARE LOOKING FOR AN EVENT THAT'S CHOCKA BLOCK WITH CHRISTMAS CHEER, THEN LOOK NO FURTHER!

Festive Quest is packed full of Christmas fun. Ove the course of the event, teams must complete a series of hands-on festive challenges in an effort to score as many points as possible and ultimately, be crowned the Festive Quest Champions.

After a suitably festive welcome, your facilitator will give the group an introductory briefing where they will explain exactly what is in store for the teams. Once this is done and the group has been split into their teams, it's time to get started!

Teams will visit different activity areas where an instructor will set them a Christmas themed team building challenge. Points are awarded depending on teams' performance in the challenges and at the end of the event, the team with the most points will be crowned the winner!

Although flexible, the standard format includes up to 5 of the following activities, run in 20-30 minute sessions:

BIG Piano – Teams learn to play ‘We Wish you a Merry Christmas’ on our giant walk on floor piano!

Jingle Bells – Teams co-ordinate themselves to play a Christmas tune on the hand bells.

Tree-mendous – Teams follow instructions from teammates in order to assemble and decorate a Christmas tree whilst blindfolded!

Christmas Cake – Teams design and decorate their own Christmas cake.

Brain Freezers – Teams must work together to solve some Christmas themed team building puzzles including the Present Pyramid Puzzle and the Christmas Robbin’ mystery game where teams solve the mystery of who stole the Christmas presents.

Jolly Jumpers – Teams are given a plain jumper and some fabric pens and must design the worst Christmas jumper they can think of!

Balloon Modelling – Teams master the art of balloon modelling before creating balloon reindeers, sleighs and Santas!

Reindeer – Teams must make the tallest free-standing reindeer using only newspaper and sticky tape. Random? Yes, but not as easy as it sounds!

Christmas Fairy – Teams design and create a fairy outfit, fit for the top of the tree, out of recycled materials.
